NEW Reasonable Suspicion Testing – Supervisor training video on determining “Reasonable Suspicion”	J.J. Keller & Associates	24 min 2000

EDUCATIONAL SEMINARS

People Management – A seminar on managing people in the construction industry	Charles Vander Kooi 2-tape set
--	-----------------------------------

ELECTRICAL SAFETY

Construction Electrical Safety: Current Control , – Basic electrical safety for non-electricians.	Coastal Video 1,1,1, For SP, E	11 min. 2000
Energize Your Future – Information on the NECA/IBEW apprenticeship program.	NECA/IBEW	8 min
Managing Powerline Hazards – Information on training and safety around powerline.	Construction Safety Counsel	18 min
Power Line Hazard Awareness – Risks of and tips on working around powerlines.	Construction Safety Council	18 min
Take Charge: Working Safely with Temporary Electricity – Causes of and prevention of electrocutions on the jobsite.	Associated General Contractors 1, 2, 1 For: S, SP, E	17 min 1991
Working Around High Voltage – Working near overhead and below ground high voltage lines.	Associated General Contractors 1, 2, 1 For: S, SP, E	6 min 1992

EQUIPMENT SAFETY

NEW Boomlifts in Construction – Safe operation of Boomlifts on construction.	Coastal Video	10 min 1996
NEW Forklift Safety – A training video that explains the safe operation of rough terrain construction forklifts.	J.J. Keller & Associates	20 min 1999
Heavy Equipment Operations – Working with and around heavy equipment.	Underground Contractors Association 1, 1, 1 For: SP, E	10 min 1989

NEW Scissor Lifts in Construction – Keys to safe operation of Sissor Lifts: Pre start inspection; training; Hazards & Safety Procedures	Coastal Video	9 min 1996
Working Around Cranes – Setup and general crane use.	Coastal Video 1, 1, 1 For: S, SP, E	5 min 1995
Working Safely with Crane Rigging – Rigging of loads.	Associated General Contractors 2, 1, 1 For: S, SP, E	5 min 1996

EXCAVATING/PAVING SAFETY

Excavating Hazard Awareness – A part of the training to become a competent excavation worker.	Chicagoland Construction Safety Council	23 min
Jobsite Hazards – Common safety hazard on a trenching jobsite.	Underground Contractors Assoc.	10 min 1989
Pipe Handling – Safe handling of sewer/water distribution pipe.	Underground Contractors Assoc.	10 min 1992
Soil Testing – Soil testing basic for the competent person on a trenching/excavation project.	Underground Contractors Assoc.	12 min 1992
Trench Shields – Using and working around trench shields.	Underground Contr. Assoc. 1,1,1 For: S, SP, E	12 min 1988
Trench Shoring – Proper use of several trench shoring methods.	Underground Contr. Assoc. 1,1,1 For: SP, E	10 min 1990
Pave Your Way to Safety: Concrete Paving Safety – Traffic control, working around machinery and handling concrete	Associated General Contractors 1, 1, 1 For: SP, E	13 min 1993
Safety in Flagging – Flagging safety on the highway. Features both long term and short duration jobs.	Underground Contractors Association 1, 1, 1 For: S, SP, E	10 min 1995
Tunneling Safety – Safety in a large diameter tunnel.	Underground Contr. Assoc. 1,1,1 For: SP, E	12 min 1990
Avoid Hot Mix Hazards – Safety in asphalt paving operations.	Associated General Contractors 1,1,1 For: S,E	14 min 1993

GENERAL SAFETY

Preventing Accidents, Protecting Profits – Safety as a good investment.	Construction Safety Council 1,1,1 For: M	11 min ?
The Casino – Workers Comp fraud. A joint union-management discussion of the problem.	National Erectors Association 1, 1, 1 For: M, S, E	31 min. 1993
Training for the Future – Information on the Chicagoland Laborers Training Center.	Laborers' Training & Education Trust Fund	
Substance Abuse Prevention – Designing & managing a substance abuse program	Coastal Video 1, 1, 2 For: M, S, SP	11 min 1994

Portable Fire Extinguishers – Classes of fires and how to fight a fire.	Coastal Video 1, 1, 1 For: E	5 min 1993
NEW Roofing Safety – Hazards and safety prevention on flat roof construction.	Long Island Productions	6 min

HAZARD COMMUNICATIONS

Hazcom for Construction – Understanding Haz Com on the job.	Coastal Video 1, 1, 1 For: E	12 min 1995
Hazcom/ Warning Labels – Labeling systems and reading and understanding warning labels.	Coastal Video 1, 1, 1 For: E	5 min 1995
Managing Silica Hazards for Construction – Preparing management to make workers safe from silica.	Construction Safety Counsel	13 min
Respiratory Protection – The basics of respiratory protection.	Comprehensive Loss Management, Inc.	12 min
Respiratory Safety – Choosing & using respirators.	Coastal Video 1, 1, 1 For: M, S, SP, E	5 min. 1996
Silica Hazard Awareness for Construction – Where Silica is located, comes from, the danger it represents, and general safety tips.	Construction Safety Counsel	15 min

LOCKOUT/TAGOUT SAFETY

Lockout/Tagout An Open And Shut Case – The 6 steps to controlling energy and the 3 steps to the safe restoration of energy.	Coastal Video 1, 1, 1 For: S, SP, E	14 min. 1998
Take Control: Lock-out/Tag-out – Proper procedures for locking out energized sources for servicing.	Associated General Contractors 2,1,2 For: M, S, SP, E	20 min 1993

PERSONAL PROTECTION

Back Injury Prevention – Explains theory of back injury prevention	Argonaut Insurance Co. 1, 2, 2 For: M, S, SP, E	10 min
Back Safety – Proper lifting techniques.	Coastal Video 1, 1, 2 For: S, SP, E	5 min 1994
Back Safety, Construction – Theory & practice of back injury prevention.	Coastal Video 1, 2, 1 For: M, S, SP, E	10 min 1991
Back to Basics – Back pain/injury prevention	Associated General Contractors 1, 1, 1 For: M, S, SP, E	18 min 1995
Bloodborne Pathogens – First aid and infectious diseases.	Coastal Video 1, 1, 2 For: S, E	5 min 1993
Exposing the Facts: Lead Exposure in Construction – Structural steel painting hazards	Associated General Contractors 1, 1, 1 For: M, S, SP, E	16 min 1992
Hand Protection – Glove selection and keeping hands clear of hazards.	Associated General Contractors 1, 1, 1 For: E	4 min 1992

NEW Hard Hat Safety – Use and care of hard hats.	Long Island Productions	6 min 1990
Head Protection – Importance of protecting head.	Coastal Video	5 min 1995
Heat Stress – Recognition, treatment & avoidance of heat stress.	Coastal Video	5 min 1994
NEW Heat Stress for Construction - Personal Protection – Personal protection basics for trenching employees.	Long Island Productions Underground Contractors Assoc.	17 min 10 min 1989
NEW Shoveling Safety – Proper shoveling techniques	1, 1, 1 For: S, SP, E Long Island Productions	6 min 1990
NEW Slips & Falls in Construction – Preventing slips, trips and falls on a construction site.	Long Island Productions	10 min
Winter Safety – Avoiding frostbite and hypothermia.	Coastal Video	5 min 1994

SCAFFOLDS & LADDERS

Fall Protection (Employer) -	Chicagoland Construction Safety Council	25 min. 1995
Fall Protection (Employee) -	Chicagoland Construction Safety Council	9 min. 1995
Fall Protection: Get Arrested – Using personal fall protection systems.	Coastal Video	11 min 1998
Ladder Safety	1, 1, 1 For: S, SP, E Associated General Contractors	6 min
Heightened Awareness : Fall Protection in the Construction Industry – Fall protection program planning and training	Associated General Contractors	20 min. 1995
Safety at All Levels – Revised Scaffold Standard, The Competent person, Pre-assembly Inspection, Safe Assembly, Pre-shift Inspection, Safe Work Practices, Maintenance, and Dismantling.	1, 1, 1 For: S, SP, E Coastal Video	18 min
Stationary Scaffolds – Scaffold erection, inspection, and role of competent person	Coastal Video	11 min 1997

SMALL TOOLS SAFETY

NEW Breaker & Jack Hammer Safety – The safe use of jackhammers		6 min 1990
On Your Guard: Power Tool Safety – Proper use of saws, grinders, drills, sanders, etc.	Associated General Contractors	14 min 1993
Powder Actuated Tool Safety – Safe handling and use of powder actuated tools.	1, 1, 1 For: S, SP, E Associated General Contractors	5 min 1992

WELDING/CUTTING

Compressed Gas Safety – Handling cylinders on jobsites.	Associated General Contractors 1, 1, 1 For: SP, E	5 min 1992
Welding Safety, Construction – Maintaining a safe welding work zone and safe use of oxy fueled gas and electric arc welding.	Coastal Video 1,1,1 For: S, SP, E	10 min 1993
